

Garden and Social Club

The Garden Club celebrated the holiday season with a fabulous rendition of Christkindlmarkt, the German style Christmas Market. Revelers partied to live music and feasted on delicious appetizers and dinner, surrounded by red and white market stalls and nutcrackers in every corner. Once again, creativity and the spirit of community was demonstrated by Garden Club members and their guests.

Pancake Breakfast

On November 12th, the FHA ushered in our Thanksgiving season with a truly bountiful Pancake breakfast, brimming with mouthwatering pancakes and maple syrup, savory smoky sausages, and an array of locally grown fresh fruit. The weather was mild and warm, and created the perfect opportunity for a late morning stroll to the clubhouse to enjoy great food with great company! The tables were decorated with seasonal mums and little woodland creatures. It couldn't have been more festive. And the pancakes were especially good this year. They were donated by our nearby IHOP located at 2398 Junipero Serra Boulevard in Daly City. Our IHOP fans knew instinctively that the pancakes were IHOP creations; they are un-mistakenly the best pancakes in the Bay Area!

Our breakfast would not have been possible without the help of our fabulous volunteers. A big thank you to Katrina Krantz and her daughter Maddy, Eric Buonassisi, Ben Tsai, and our Boy Scouts from Troop 88 who assisted with the table setup. And special thanks to Marcus and the IHOP team members. We look forward to an encore
